Dear Dr. Wonnacot:

The Scientific Director and CTR's staff have discussed your request for partial support of the Round Table on *"CNS Nicotinic Receptors"*. Unfortunately, competition for research funds has meant we are unable to approve a number of meritorious requests for meeting support this year. Although we are unable to lend assistance for this particular conference, the Scientific Staff and I hope you will not hesitate to contact us about partial funding for future meetings.

Sincerely,

Harmon McAllister
